[www.institute-aami.com](http://www.institute-aami.com) / Institute Atelje Art Murn International was established by Slovenian artist and businessman Miha Murn in 2015, with the aim to help various artists, which represent the art market. Our establishment offers them space for exhibiting, promoting and selling their artworks. An integral part of Institute's work is to raise awareness and educate the general public about arts and culture. [info@institute-aami.com](mailto:info@institute-aami.com)
