Institute Atelje Art Murn International was established by Slovenian artist and businessman Miha Murn in 2015, with the aim to help the various artists that represent the art market. It offers them space for exhibiting, promoting and selling their works. An integral part of our work is to raise awareness and educate the

business partners
in four countries

general public about the arts. The main goal of our activities is filling up the empty spaces that are bad promotion for the owner of the building. That includes different spaces, for example shops, warehouses, halls, alleys, hallways, etc. that we transform to temporary cultural spaces with minimal investment.
