AUSTRIA
TREND

KSBC & AAMI /

“The story of AAMI Corporation with its platform and projects is a strong chain between business and culture. It is certainly interesting for building a better cultural connection between The Republic of Kazakhstan and The Republic of Slovenia. Our business club KSBC is a strategic partner of Institute AAMI and we are proud of our fruitful professional cooperation. I believe that Astana and Ljubljana can both gain a lot from AAMI cultural innovations.”

DEJAN ŠTANCER /

President of the Kazakh-Slovenian Business Club and Chairman of the Regional representative office of the National company Kazakh Invest

ART IN BUSINESS /

“At AAMI International Corporation, our best feature is our global team and our global members of highly professional and knowledgeable individuals, who through their work, passion, dedication and perceptiveness, continuously drive our corporation forward and connect art to business. An independent, privately-owned organisation is therefore dynamic and can be involved in a variety of different activities and projects.

As artwork would tell us a specific story, AAMI is telling us the story about collaboration and beauty of culture and art. An integral part of our work is to raise awareness and educate the general public about the arts. Each story comes from our minds but every vision arises only from ambition. Our vision is to become the leading organization for the development and systematization of art and culture in the world. We are confident that our corporation can implement strong changes and improvements to the development of art and culture. We believe that a world without extravagant thinking does not exist and this is the reason why we always go for crazy, new, different and extraordinary ideas, which are bringing us hope and energy to live our dreams.

We are inviting you to collaborate with us and help art and business to develop around the globe. Open ideas and suggestions from your side are always welcome.”

MIHA MURN /

President and CEO of AAMI Corporation and Cultural Attache of Kazakh-Slovenian Business Club
