TIA Summit is one of the best initiatives driving the future of cities and discussing **SOCIETY 4.0** with more than **350 DELEGATES** from all over the world. It is the meeting point of ideas and reality and a place where good projects get wings and **FLY BEYOND INDIA**. We are proud to be a part of this story.

Mr. Miha Murn

President and CEO - AAMI International Corporation
Advisory Board Member of The India Advantage Summit

BTC

The story of the development of BTC d.d. is a model example of long term investments in realising visions. Investments that have resulted in success across a number of undertakings ranging from property management to logistics and digitalisation.

The unique nature of BTC City stems from an intertwining of modern urbanism and diverse content that created a new social and public space – now visited by over 21,000,000 people each year.
