Miha Murn

President & CEO / AAMI Corporation

Our vision has always been to support art and to implement it to all possible industries. We are making our vision come true on an international area in more than 15 different industries. As a clinic, MedicoFit offers modern approaches in their line of work and has great potential, which is the reason why we have decided to include it in our AAMI Ecosystem and therefore succeed in connecting art with sport and health again.

Nejc Šimenko

founder / MedicoFit clinic

We believe that both culture and health industry should connect better with today's small businesses and corporations, we even believe that culture and health industry should both be implemented into the daily ecosystem of modern companies. We are certain that together with AAMI, we can make today's business a better general experience for employees, and a more long-term performance-enhancing institution.

MedicoFit

The newly founded clinic is currently the most modern private physiotherapy clinic in Slovenia. MedicoFit Clinic is specialized in the treatment of injuries and physical performance improvement. MedicoFit Clinic is the only clinic in Slovenia that connects physiotherapy, diagnostics, and kinesiology into a single cohesive unit. The MedicoFit team of health and training experts works with individual protocols set for each client which puts MedicoFit Clinic among the most professional health institutions in Europe. MedicoFit Clinic is developing fast as cooperative physiotherapy and exercise institution with a focus on improving general health and preventing orthopedic injuries in modern IT and financial companies.
