Salvador Club is a public cultural and creative club that works in the interest of promoting and connecting artists. Each foreign branch of the AAMI Platform connects with local artists and offers them novelties, bonuses and opportunities. After paying the annual membership fee, each member is entitled to promotion on the social media of Institute AAMI in the event that they send AAMI team current materials about their activities. To withdraw from the club, the member must notify AAMI team in writing 5 months before the expiry of the annual membership fee. If they fail to do so or wish to withdraw, they must pay another full annual membership fee, only then can they withdraw from the club. The last paid membership fee thus still entitles members to one full year of selected benefits.
